

MOVIE RAP

Together attend a current popular movie, or rent and view a recent **movie** now on video.

After viewing the movie, discuss:

- What did you like about the movie? What worked for you?
- What didn't you like about the movie? What did you think was unbelievable or phony?
- Every movie has a message. What do you think this movie was saying? What did the movie's producer and director want you to believe? to do? to think? to feel?
- How did this movie use these elements to get its message across:
 - music
 - lighting
 - action
 - dialogue
 - editing (how the bits and pieces of film are assembled into smoothly flowing action)
 - sound
 - special effects
 - suspense
 - humor
- If you had produced or directed this movie, what would you have done differently?
- If God had produced or directed this movie, what do you imagine God might have done differently?
