

## **TEN YEARS FROM NOW**

This is a good discussion starter that would be appropriate for a graduation night celebration. Print the questions below on a half sheet of paper and have everyone write in their answers. Let everyone participate, not just the graduates. Then you might divide the group into small discussion groups of four or five per group and let the kids share their answers with each other.

### **Ten Years From Now ...**

1. My height
2. My weight
3. My hair style
4. Where I will be living
5. What I will be doing
6. Dreams and goals I will have
7. I feel I will have been a success in life if ...
8. I will look back upon this year as a year of ...
