

## WHO IS JESUS?

Who is He for YOU? Jesus asked people "who do you say that I am?" And just as when he answered "The Messiah" St. Peter hit the jackpot; so too for us does everything in life rest on our answer. Jesus is the Son of God - the second person of the Blessed Trinity who saves us by giving His life so the gates of Heaven would be open for us and sins be forgiven. He lived on earth nearly two thousand years ago in a human body and now He lives in our bodies, in our hearts. It is only once we open our hearts to Him and decide to let His life live in us that we can really know who Jesus is - all the rest is book knowledge. We come to know Jesus is the heart of God, the source of compassion. We experience Him as Our Lord and our Brother. Lord as in we follow His lead, we invite Him to use us without even asking permission. Brother as in we feel close and warm towards Him as a family member. As you grow through your life, you'll also grow in your personal relationship with Jesus. He will relate with you as with no one else in creation. You will be a friend to Him like no one else can be, because there is no one else like you. This friendship is life's greatest sacrifice, putting yourself, your life, your concerns aside and letting Jesus's life live through you. You will be given chances to sacrifice, just as Jesus sacrificed, but in this chance to share in His love you will find the greatest comfort and strength and unbelievable joy...
