

## Does God Exist

A man went to a barbershop to have his hair cut and his beard trimmed. As the barber began to work, they began to have a good conversation.

When they eventually touched on the subject of God, the barber said: "I don't believe that God exists."

"Why do you say that?" asked the customer.

"Well, you just have to go out in the street to realize that God doesn't exist. Tell me, if God exists, would there be so many sick people? Would there be abandoned children? If God existed, there would be neither suffering nor pain. I can't imagine a loving a God who would allow all of these things."

The customer didn't respond because he didn't want to start an argument. The barber finished and as he left the barbershop, he saw a man in the street with long,dirty hair and an untrimmed beard. The customer turned back into the barber shop and he said to the barber:

"Barbers do not exist."

"How can you say that?" asked the surprised barber. "I am here, and I am a barber. And I just worked on you!"

"No!" the customer exclaimed. "Barbers don't exist because if they did, there would be no people with dirty long hair and untrimmed beards, like that man outside."

"Barbers DO exist! What happens is people do not come to me."

"Exactly!"– affirmed the customer. "That's the point!

God, too, DOES exist! What happens, is, people don't go to Him and do not look for Him. That's why there's so much pain and suffering in the world."
