

Body of Christ

Your church is a living body of Christ, composed of all the members of your congregation who reveal his Spirit in their lives. How do the members of your group fit in the body of Christ? What is their special contribution to Christ's presence in your church? Affirm your group members by choosing which function of the body of Christ they serve. Either go in a circle, with each person identifying the contribution of the person on their right or left, or go around the group taking turns as each person listens while the rest of the group shares the contribution they see in that person.

HANDS: You reveal Jesus by the special skills you can do for others that they cannot do for themselves.

BACK: Your faith is strong because you hold up to crises, fear and doubt, reminding those around you that Jesus is near.

SHOULDERS: You show us Christ's gentleness by being the kind of person we can go to when we need a shoulder to cry on.

FEET: You go where God sends you to share Christ's love with others. You take your faith places.

MOUTH: Just like Jesus, you say what needs to be said to comfort, encourage and challenge.

EYES: You have the eyes of Christ because you can share his compassion in the way you look at someone.

EARS: You show love and respect for someone through your Christlike listening skills.

KNEES: As a prayer warrior, you demonstrate Jesus' reliance on prayer through your devotion to God.

ARMS: You use your arms to embrace people and comfort them just like Jesus did.

LEGS: You have the courage to stand up for what you believe in, even when it isn't popular.
