

Balancing Our Faith

TOPIC : *Sharing Faith*

SCRIPTURE : *Romans 1:13-16*

SUPPLIES : *1 baseball cap and 1 balloon per team of 5 or 6*

Have youth form teams of five or six, and give each team one baseball cap and one balloon. Have each team select one person to be the first to put on the baseball cap and balance the balloon on the peak of the cap. The object of the game is for a person from each team to walk to a point approximately ten feet away and back to the team without allowing the balloon to fall off the hat or touching it with any part of the body. The person then passes the hat and balloon to the next person on the team, who must complete the same action. (Participants can use their hands to pass the hat and balloon to the next player.) Challenge the students to try to finish the relay as quickly as possible.

DISCUSSION

- How is balancing the balloon similar to sharing our faith with the world?
- How do we sometimes “drop” opportunities to share our faith?
- What happens when we “drop” an opportunity to share with someone?
- Once we pass our faith on to someone else, how can we support that person?
