

**JEALOUS/ envious?**

**My Dear Child,**

**Most jealousy and envy comes out of fear.**

**What might it be that you are afraid of?**

**Is it a fear of losing someone you love/**

**Is it a fear that someone else's light will shine brighter than you  
and you might be rejected?**

**The only answer to fear is trust.**

**Not trust in other people. t**

**They may be worthy of trust, they may not.**

**Trust in ME.**

**I am the only one who will never let you down.**

**I am the only one who will not betray you.**

**Trust in my love.**

**It is the only thing you cannot lose.**

**Please remember how much I love you.**

**If you could do that then you would never be jealous of anyone else.**

**There is no ne I have ever loved more than you.**

**Always yours,**

**Your Loving Father, Son & Spirit**
