

Lent provides an extraordinary opportunity for us to follow Jesus. The opportunity is extraordinary because, even though Lent comes around every year, only once will we have this particular year, only once this particular moment. And while we could go through the motions of accepting ashes on our foreheads, struggling through a bit of fasting and prayer in our hectic lives we are called to do something more. Jesus says plainly... "His disciples must deny themselves, take up their crosses daily and follow Him". Luke 9:23

This season make time to follow Jesus to the Cross in the Stations, the different Prayer Services, Reflections, Lenten mission, or Reconciliation Service. We are all lost; let us journey back to Jesus together.
