

You are my brother  
and we are the children  
of one universal Holy Spirit.  
You are my likeness  
for we are prisoners of two bodies  
formed of one clay.  
You are my companion on the road of life  
And my helper in the  
understanding of a truth  
concealed beyond the clouds  
You are my brother  
and I love you.  
Kahlil Gibran
