

# Peace

Peace

Is not something you can find  
in any relationship, book, religion or environment,  
or in any structuring or manipulation of reality.

Peace is Not Peace

unless you have found it within and found it there.  
Even in the most turbulent and trying of situations  
as the eye of the hurricane.

Peace Is

not needing to know what will happen next.  
Remembering the spontaneity of children,  
reaching out and grabbing for life.

Peace is nothing the world  
can give. It comes from God within.  
Peace is seeing God in everything  
and everywhere.

Peace is not a truce. It is more than  
co-existence. Peace is Justice in  
Relationship. It is both the ends and  
the means at the same time.  
There is no way to Peace.

Peace is the way.
