

I have nothing  
Whitnery Houston

Share my life, take me for what I am  
Cause Ill never change all my colours for you  
Take my love, Ill never ask for too much  
Just all that you are and everything that you do

I dont really need to look very much further  
I dont want to have to go where you dont follow  
I wont hold it back again, this passion inside  
Cant run from myself  
Theres nowhere to hide  
(your love Ill remember forever)

Dont make me close one more door  
I dont wanna hurt anymore  
Stay in my arms if you dare  
Or must I imagine you there  
Dont walk away from me...  
I have nothing, nothing, nothing  
If I dont have you, you, you, you.

You see through, right to the heart of me  
You break down my walls with the strength of you love  
I never knew love like Ive known it with you  
Will a memory survive, one I can hold on to
