Matthew West

Take a look at the mountain  
Stretching a mile high  
Take a look at the ocean  
Far as your eye can see  
And think of Me

Take a look at the desert  
Do you feel like a grain of sand?  
I am with you wherever  
Where you go is where I am

And I'm always thinking of you  
Take a look around you  
I'm spelling it out one by one

Chorus:  
I love you more than the sun  
And the stars that I taught how to shine  
You are Mine and you shine for Me too  
I love you yesterday and today  
And tomorrow I'll say it again and again  
I love you more  
Just a face in the city  
Just a tear on a crowded street  
But you are one in a million  
And you belong to Me

And I want you to know I'm not letting go  
Even when you come undone

I love you more than the sun  
And the stars that I taught how to shine  
You are Mine and you shine for Me too  
I love you yesterday and today  
And tomorrow I'll say it again and again  
I love you more

Shine for Me      Shine for Me      Shine on, shine on      Shine for Me

I love you more than the sun  
And the stars that I taught how to shine  
You are Mine and you shine for Me too  
I love you yesterday and today  
And tomorrow I'll say it again and again  
I love you more
