

# Show You Love

Jars Of Clay

Speak  
and say the words that no one else will ever say  
love  
love like the world we know is over in a day

CHORUS:

i'm gonna show you love in every language  
i'm gonna speak with words that need no form  
i'm gonna give you what you never had before

and you're beautiful  
and i am weakened by the force of your eyes  
so shine bright  
to separate the truth from the lies  
i'm gonna show you love

CHORUS

what you never had before  
had before

so tie me to a tree and let the smoke and ash collect  
no, i won't regret to let love do what love will let  
and you can drown in mixed emotions and walk across an angry sea  
this is the cost of being free

CHORUS(2x)

i'm gonna show you love, love in every language  
i'm gonna show you love you never had before  
i'm gonna show you love, love in every language  
i'm gonna show you love you never had before  
i'm gonna show you love
