

Finally, ask God to forgive you for running in the wrong direction. Ask Him to lead you down this new road through faith in His Son. And tell Him that you are ready to follow Him as you give Him the helm of your boat.

Here's a prayer that can help you in your journey from success to significance:

God, today I come to You for new life.

I've tried to find meaning without giving You the place you deserve in my life. I've gone in my own direction without consulting You. Forgive me. Jesus, thank You for loving me so much that You endured a terrible death to pay for my sins. Thank You for forgiving me.

I don't want to take another step without You. Like Simon invited You, Jesus, into the boat, I invite You into my life. Take charge. Make Your presence real to me. Show me the way of significance. I receive this new life from You. You will be my Senior Partner in this life. And, when this life is over, I will step into eternity with You.

Amen
