

I feel you
I feel you in every stone
In every leaf of every tree
You've ever grown

I feel you
In everything
In every river that might flow
In every seed
You might have sown

I feel you
In everything
In every beating of my heart
Each breath I take
I feel you
Anyway
In every tear that I might shed
In every word I've ever said
I feel you
I feel you

I feel you
I feel you in every stone
In every leaf of every tree
You've ever grown

I feel you
In everything
In every river that might flow
In every seed
You might have sown

I feel you
In everything
In every beating of my heart

Each breath I take
I feel you
Anyway
In every tear that I might shed
In every word I've ever said
I feel you
I feel you

I feel you
I feel you in every stone
In every leaf of every tree
You've ever grown

I feel you
In everything
In every river that might flow
In every seed
You might have sown

I feel you
In everything
In every beating of my heart
Each breath I take
I feel you
Anyway
In every tear that I might shed
In every word I've ever said
I feel you
I feel you

I feel you
I feel you in every stone

In every leaf of every tree
You've ever grown

I feel you
In everything
In every river that might flow
In every seed
You might have sown

I feel you
In everything
In every beating of my heart
Each breath I take
I feel you
Anyway
In every tear that I might shed
In every word I've ever said
I feel you
I feel you
