

What would you do if?

- you saw an alien spaceship land
- won \$10,000 cash
- were camping and a bear entered your campsite
- heard that there was to be a beating after school
- saw someone with a gun enter a store

Lord I want your will to be done, not mine

in my friendships

in my dating life & sexuality

- in my family relationships
- in my choices about my future
- in all things even when it's really hard
