

# FAMILY CONFUSION!

## 1. The Woo-Woo Mixer

Find five others who were born in the same quarter of the year as you, identify yourself by making the appropriate sound as indicated below:

January/February/March: "Woo!"

April/May/June: "Woo-woo!"

July/August/September: "Woo-woo-woo!"

October/November/December: "Woo-woo-woo-woo!"

After all the folks in your group have found one another, hold hands, make a circle, and play ring-around-the-rosy. Then have one of your group members initial here: \_\_\_\_

## 2. Family Vacation

Form a group with three other people so that it includes a dad, a mom, and two kids. Create a "train" at one end of the room, each person with his or her hands on the hips of the person in front, and with "Dad" at the head of the line. He leads the train across the room, zig-zagging back and forth from one end to the other. In the meantime, the kids should complain about how long it's taking, ask when they'll get there, and demand a stop for food or the bathroom. Then have your other vacationers initial here: \_\_\_\_

## 3. Family Cooperation

Find any two other people. Sit on the floor back-to-back and with arms linked. In this position, the three of you must attempt to stand up together. After you've been successful, have a group member initial here: \_\_\_\_

## 4. Sneak a Date (kids only)

Walk across the room with a member of the opposite sex without being spotted by your parents. If they spot you, you must try again later. Have your "date" initial here: \_\_\_\_

## 5. Family Dinner Time

Form a group of five that includes both parents and kids (at least one of each). Sing together the commercial jingles for three or more fast-food restaurants. Have a group member initial here: \_\_\_\_

## 6. Family Communication Practice

Find a kid if you're a parent, or a parent if you're a kid, and one extra person with a watch that times seconds. Cover your ears, face your "parent" or "child," and shout your favorite kid or parent lines for a full 10 seconds. Sample kid lines: "You never listen to me!" "All my friends get to do it!" "You don't trust me!" Sample parent lines: "When I was your age..." "I don't care who does it!" "As long as you're living under my roof..." Have the timekeeper initial here: \_\_\_\_
