
Please Step Forward

TOPIC: *Siblings*

SCRIPTURE: *1 John 2:9-11*

SUPPLIES: *none*

Explain that in this game, someone will have the opportunity to hire a new brother or sister, and everyone is in the running. First ask a volunteer to be the chooser. Have the chooser stand against one wall, facing the wall. Have everyone else stand against the opposite wall facing the chooser.

The chooser should list qualifications like "must be a boy," "must be in tenth grade," or "must be able to drive." As the chooser lists qualifications, those who fulfill the qualifications should take one step forward. The people who don't fulfill a qualification should sit on the floor. The chooser should continue to list qualifications until only one person is left.

Repeat the game several times, using a different chooser each time.

DISCUSSION

- Choosers, were you surprised at who you picked to be your new brothers or sisters? Why or why not?
- How might life be different if we could choose our brothers and sisters?
- Why do you think God gives us brothers and sisters?
