

I'll always be here to listen and to love you,
to share whatever life has planned for us.
When you're hurting, allow me to comfort you.
I know that life doesn't seem
too bright for you right now,
and I'd like to share the burden with you.
I'll be your heart;
I'll be your shelter where you can turn.
I'll be your support
when you have no energy left
to plan ahead,
to believe that the new day will be brighter.
I'll be here to share in love.
I cherish you
for the precious person you are in my eyes,
and I'll always stand beside you.

When Times Are Difficult, I'll Be There Beside You

*I know the difficulties you now face
are painful for you
and that at times life is so confusing,
and answers are hard to find
when your mind is so deep in thought.
But there's one thing I'd like to offer you,
and that is the ability to see yourself
as a person with much worth in my life.
And now, as you're faced with adversity,
I want you to know that
I'll be there for you,
supporting you along the way...*
