

We meet so many people,
But few, it seems to me,
Enjoy as close a friendship
As ours has grown to be,
So with this heartfelt greeting,
I want to tell you, too,
I'm very thankful to have found
A special friend like you.

Though we don't see
each other often
when we do
it is as though
we were always together —
so comfortable
so natural
so honest
I guess old friends
who know where we come from
who know our backgrounds
who know our families
have an understanding
of us
that no new friend
can ever have 🍷

*If you want long friendships, develop a short
memory.*

Our lives grew so far apart
from each other
that we could never
be a part of each other's days
but our minds
though thinking about different things
share an understanding
of each other that
only friends who lived together
at such a growing
time in life can
Our own lives
are touched once again
by true friends 🍷

Why spend time
developing
meaningful
friendships
when studies, work
and family demand
so much of you
already?
