

■ WHAT'S JUSTICE?

There is no justice anymore. At least, Bill doesn't believe there is. His home was recently robbed, and a policeman was shot while trying to arrest the thief. There was a scuffle. When the policeman tried to reach for his gun, the thief's gun accidentally went off and shot the policeman. The judge dismissed the case because the policeman did not have sufficient cause to stop the alleged robber. Though he lived, the policeman will be crippled for life.
