

What does the word love mean to you?

Who do you love?

Who has loved you and helped you the most?

Where do you see love in the world today?

What do you believe your capacity to love is? How easy is it to find something to love in someone you meet?

Do you make it easy for others to love you? How do you do this? Why do you do this?

When do you feel the most loved?

Are you afraid to let someone love you? Are you afraid to show the people you love how you feel?

Is love important to you? To the world? To God?
