

Ms. Angela: “The longer you live, the more you will realize the impact of attitude on life. Attitude is more important than facts.

It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break a relationship...a church...a home.

The remarkable thing is we have a choice every day regarding the attitude we will embrace for the day or the moment.

We cannot change our past... we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one thing we have, and that is our ATTITUDE...

Life is 10% what happens to me and 90% on how I react to it.

And so it is with you... we are in charge of our attitudes.”

As you prepare to receive the sacrament of Confirmation ask the Holy Spirit to help you have an attitude Of GRATITUDE.

Be forever grateful!

ALL: I confess to Almighty God, and to you my brothers and sisters, that I have sinned through my own fault in my thoughts and in my words, in what I have done, and in what I have failed to do; and I asked blessed Mary, ever virgin, all the angels and saints, and to you my brothers and sisters, to pray for me to the Lord our God.

Ms. Angela: Young people of God let us remember that we are never healed alone. Whenever God restores one of us, we are all brought to greater wholeness. Let us unite our voices in praise of the One who heals our hearts:

ALL: Our Father, who art in heaven....
