

# Beautiful people Melanie

You live in the same world as I do  
But somehow I never noticed  
You before today  
I'm ashamed to say  
Beautiful people  
We share the same back door  
And it isn't right  
We never met before  
But then      We may never meet again  
If I weren't afraid you'd laugh at me  
I would run and take all your hands  
And I'd gather everyone together for a day  
And when we gathered  
I'll pass buttons out that say  
Beautiful people  
Then you'd never have to be alone  
'Cause there'll always be someone  
With the same button on as you  
Include him in everything you do.  
Beautiful people  
You ride the same subway    As I do every morning  
That's got to tell you something  
We've got so much in common  
I go the same direction that you do  
So if you take care of me  
Maybe I'll take care of you  
Beautiful people  
You look like friends of mine  
And it's about time  
That someone said it here and now  
I make a vow that some time, somehow  
I'll have a meeting  
Invite everyone you know  
I'll pass out buttons to  
The ones who come to show  
Beautiful people  
Never have to be alone  
'Cause there'll always be someone  
With the same button on as you  
Include him in everything you do  
He may be sitting right next to you  
He may be beautiful people too  
And if you take care of him  
Maybe I'll take care of you  
And if you take care of him  
Maybe I'll take care of you...  
Because I'm a beautiful people too.....
