

Fear skits (choose to overcome or not)

1. You are sitting at home, watching tv when you hear the door rattle.
2. You have to hold a youth group meeting, but you are a little afraid of public speaking.
3. Your best friend was cheated in a previous relationship, you fear being cheated on and you were just asked on a date which you would like to go on.
4. You have a big math midterm coming up and if you fail your parents will be mad at you.
5. You are going to 6 Flags on a physics trip, but you are afraid of heights. But you also fear being disapproved by your friends, and being called a weenie for not going on king da ka.
6. You really love basketball, but the team is really good this year. You fear you won't make the team.
7. You have won a trip to England, but you must get immunizations. The only problem, you are extremely afraid of needles, you sometimes pass out and always cry at the sight of them.
8. You think you have found "the one," only problem is they have 3 large dogs. You are deathly afraid of being bit by dogs.
9. Your father decided to become a mountain man, aka grow out a beard, chop wood etc. Unfortunately, you were kicked by a bearded man when you are younger, you are afraid of beards.
10. It is Halloween and all your friends want to go to a cemetery at night to conjure up some spirits. Too bad you are extremely afraid of being out in the dark.
11. You always wanted to learn how to surf, you have the perfect chance to learn when your family goes on vacation to Hawaii. The only thing is there may be sharks in the water.
12. Your dad got a new job, again, meaning you have to move, again. Last time you moved you left all your friends behind, you don't really want to experience this pain again. Your dad's new job is going to make the family more money though.
