

Strength

Give me love
Give me hope
Give me strength
Give me someone to live for.

Who will light the fire
I need to survive
Who will be the life blood
Coarsing through my veins
Like a river flowing
That will never change
I need someone
I can depend on.

Cause I'm a man of emotion
Who can't hide the tears
I'm a man of feeling
Who can't hide the pain
I walk the outskirts of town
Where no-one knows my name
I'm at the point in my life
Where I need affection.

Give me love
Give me hope
Give me strength
Give me someone to live for.

I walk along across the outskirts of town
I can't control what I'm going through now.
Someone write me a letter
I need to know that I'm still alive
Someone give me a telephone call
I need to hear a human sound
Someone open up a door
And let me out of this place
I've been caged up for oh so long
I don't know if I'm living or dying.

Give me love
Give me hope
Give me strength
Give me someone to live for.
