

## **SUICIDE**

**My Dear Child,  
Are you thinking about taking your life?  
Please let me help you. I created you to live.  
Nothing hurts me more than to see you not want to live.  
Don't stay in this mode.  
Please talk with someone you trust,  
and definitely talk with a counselor.**

**Do you have a suicidal friend?  
Stay with them, bring them to someone they can talk with.  
Don't ever take all the weight on your shoulders, if you are  
feeling that you are over your head, trust that and get  
someone who knows more than you do involved.  
Know my love is there, no matter what, Jesus**
