

THANK YOU

Thank you for giving this good morning.  
Thank you for sending each new day.  
Thank you that you let all my sorrows  
Rest within your arms.

Thank you for all my friends and loved ones.  
Thank you, O Lord, for everyone.  
Thank you for even those who hate me.  
One day may they love.

Thank you for all our daily sadness.  
Thank you for sorrow's bitter sting.  
Thank you for happy smiles and laughter,  
Joys that each day brings.

Thank you for calling me to serve you.  
Help me to see the light of Truth  
Give me the wisdom and the prudence  
And the courage to do.

Thank you, O Lord, for everyone  
Who taught me the meaning of your love.  
Thank you, O Lord, for all those friends  
In whom I have seen you.

Thank you for all your gifts and blessings  
Coming from out your boundless love.  
Make me to ever sing your praise and  
Glory without end.
