

HONESTY - WHAT WOULD YOU DO?

1. What would you do if one of your friends suggested that you change the price tag on an item you would very much like to have?
2. What would you do if someone wanted to sell you a stereo tape deck for less than half price and you knew it was stolen?
3. Someone told you a secret you promised not to tell. Now your best friend is begging you to tell him/her. In return, they'll tell you a confidence. Do you trade secrets?
4. As you walk into the classroom for a big exam which you have not studied for, a friend who has studied (and is also pretty smart) offers to give you the answers. What would you do?
5. You are babysitting for a neighbor and she has asked you not to have anyone in the house while she's gone. Some friends want to join you. What would you do?
6. You have a part-time job after school and aren't particularly happy with it, but you need the money. Your co-worker is a real go-getter and could probably do both your jobs. Would you let them?
7. You work part-time in an office, which has a fully stocked stationery closet. They wouldn't miss a few pencils, pens or some paper. Would you take advantage of this to get your supplies for school?
8. You're not legally of age to drink in a bar or buy beer/liquor in a store. However, you do look 18 and a friend offers to get you false proof just in case. What would you do?
9. You hear a story about someone else which you know is not true. However, the person telling the story is a bully and if you disagree you run the risk of getting in that person's bad graces. Would you stand up to them?
10. You find a wallet on the street with \$100 in it. The owner's name and address is in it and you could just anonymously mail everything but the money back to them. What would you do?
