BEAUTY

Never lose an opportunity
of seeing anything
that is beautiful;
for beauty is God's handwriting --
a wayside sacrament.
Welcome it in every fair face,
in every fair sky,
in every fair flower,
and thank God for it
as a cup of blessing.

Things are beautiful if you love them.

Jean Anouilh

We ascribe beauty to that which is simple; which has no superfluous parts; which exactly answers its ends.

Ralph Waldo Emerson

Something wonderful and strange that the artist fashions out of the chaos of the world in the torment of his soul.

W. Somerset Maugham

Beauty is the purgation of superfluities.

Michelangelo

Beauty will save the world.

Fyodor Dostoevsky

Beauty — the adjustment of all parts proportionately so that one cannot add or subtract or change without impairing the harmony of the whole.

Leon Battista Alberti

Beauty is truth — truth, beauty — that is all
Ye know on earth, and all ye need to know.

John Keats

What Is Success?

Success is speaking words of praise
In cheering other people's ways,
In doing just the best you can
With every task and every plan.
It's silence when your speech would hurt,
Politeness when your neighbor's curt.
It's deafness when the scandal flows,
And sympathy with others' woes.
It's loyalty when duty calls;
It's courage when disaster falls,
It's patience when the hours are long;
It's found in laughter and in song.

It's in the silent time of prayer,
In happiness and in despair.
In all of life and nothing less,
We find the thing we call success.

When one has much to put in them, a day has
a hundred pockets.

Now, he says, "No matter what I do, I try to
create something beautiful every day—whether
teaching, writing, acting or just living."

It takes so much to be a full human being that there
are very few who have the enlightenment or the courage
to pay the price.

One has to abandon altogether the search for security
and reach out to the risk of living with both arms. One
has to embrace the world like a lover, and yet demand
no easy return of love.

One has to accept pain as a condition of existence. One
has to court doubt and darkness as the cost of existence.
One needs a will stubborn in conflict, but apt always to
the total acceptance of living and dying.

MORRIS L. WEST,
The Shoes of the Fisherman

TODAY...

Relax. Taste, touch, hear, see everything
as if for the first time. Feel thankful. Count
stars. Indulge yourself. Go barefoot. Pay a
compliment. Practice a talent. Speak softly.
Take your time. Let go of a worry. Take a
chance. Write a note. Return a favor. Praise
a child. Hope. Play. Relive a memory. Dare
to dream. Hug a friend.

Surprise someone. Watch the clouds. Listen to
the wind. Laugh out loud. Walk in a park.
Keep a promise. Create a joy. Trust God.
Believe in miracles. Sing. Try. Try again.
Be kind to yourself. Encourage others. Let love
be a part of every thought and everything
you do. Be you.

“So live that you would not
mind selling your pet parrot
to the town gossip.”

Will Rogers (1879–1935)

Teach us, dear God, to have compassion enough to
realize that all men are created in Thine image.
Teach us to understand that man's ultimate hap-
piness depends upon his concern and desire to
seek wisdom and comprehension for living and for
sharing with all mankind.

Marian Anderson

All the worlds a stage.

And all the men and women merely players; They have their exists and their
entrances; And one man in his time plays many parts

WILLIAM SHAKESPEARE

Right effort means living a simple and disciplined life.

GOD SHINING THROUGH As a countenance is made beautiful by the soul's shining through it, so the world is beautiful by the shining through it of God. Friedrich Heinrich Jacobi 1

Zest is the secret of all beauty. There is no beauty that is attractive without zest.

-Christian Dior

You don't have to suffer to be beautiful.

TAKING JOY IN LIVING is a woman's best cosmetic.

—Rosalind Russell

You can't stand on good looks alone

Women who live for the next miracle cream do not realize that beauty comes from a secret happiness and equilibrium within themselves.

—Sophia Loren

*
If you go through life trading on your good looks, there'll come a time when no one wants to trade.

PEOPLE are forever saying: "Oh, that's beautiful but it isn't practical." As an architect more than sixty years, I have learned that only the beautiful is practical. And conversely, anything that is truly practical, functional and useful is beautiful—whether it be a sunset or some man-made object. When we perceive a thing to be beautiful, it is because we instinctively recognize its rightness

Ever notice how many beautiful people there are?

"The most beautiful thing we can experience is the mysterious. It is the source of all true art and science." —Albert Einstein

Beauty—the adjustment of all parts proportionately so that one cannot add or subtract or change without impairing the harmony of the whole.

—Leon Battista Alberti (1404–1472)

Beauty is the promise of happiness.

—Stendhal (Henri Beyle) (1783–1842)

Beauty is eternity gazing at itself in a mirror.

—Kahlil Gibran

Though we travel the world over to find the beautiful, we must carry it with us or we find it not.
Ralph Waldo Emerson

BEAUTY IS TRANSITORY. BEAUTY SURVIVES.

**Everything
looks good
for a
reason.**

When I am working on a problem, I never think about beauty. I think only how to solve the problem. But when I have finished, if the solution is not beautiful, I know it is wrong.

—Buckminster Fuller

Beauty and folly are generally companions.

—Baltasar Gracián (1601–1658)
