

My Museum

Congratulations! A wealthy committee of good-hearted citizens has decided to build a museum in your honor! The museum has been built and now it is up to you to help create the displays.

The museum has several different exhibits:

Family Heritage
Childhood
High School
Romance
Accomplishments
Spiritual Life
The Future (under construction)

Think of one memento from your life that will be in each exhibit of your museum. For the exhibit called "The Future," what do you hope to show someday? Take turns going around the group and telling everyone what is on display in your personal museum and why.
