

WHEN IT'S WET OUT
WE MUSTN'T FORGET
TO WEAR OUR RUBBERS.

PERHAPS TREE LICE
ARE THE GREATEST
ENEMY OF OUR FRIEND,
THE WOODPECKER.

PERHAPS THE GREATEST
ENEMY OF THE SQUID
IS THE WILY SPERM WHALE.

PERHAPS ONE OF
NATURE'S GREATEST
MAVELS IS THE SIMPLE
MORNING DEW.

PERHAPS THE GREATEST
ENEMY OF THE SABER-
TOOTHED TIGER WAS
THE WILY HOMO ERECTUS.

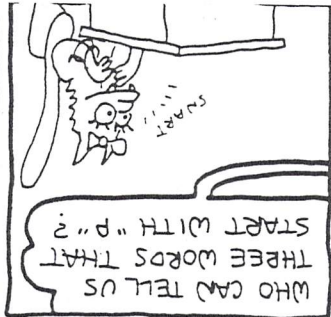

PLEASE, CHILDREN, DON'T
JUST SIT IN FRONT OF
THE BOOB TUBE TONIGHT.

THE PEPUVIA INDIANS
CATCH CRABS IN
LAKE TITICACA.

NO ONE REALLY KNOWS
HOW THE GREAT
PYRAMIDS WERE
ERECTED.

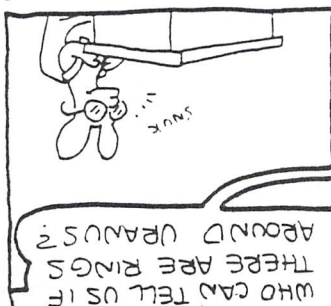

WHO CAN TELL US
THREE WORDS THAT
START WITH "P"?

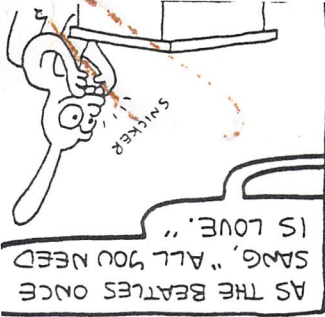

IT'S EXTREMELY HOT
IN THE BOWELS OF
THE EARTH.

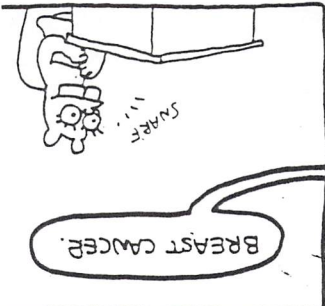

THEY CATCH SOME
REAL WHOOPERS ALONG
THE ROCKY BOTTOM.

WHO CAN TELL US IF
THERE ARE RINGS
AROUND URANUS?

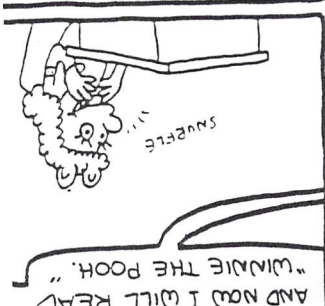

AS THE BEATLES ONCE
SAID, "ALL YOU NEED
IS LOVE."

BREAST CAUCE.

QUIET, CHILDREN! LET'S
BEHAVE OURSELVES AND
ENGAGE IN DIGNIFIED
SOCIAL INTERCOURSE.

AND NOW I WILL READ
"WINNIE THE POOH."
