

Problems at School

Talmey Research & Strategy asked 303 teenagers to rank the major problems at their local high school.

The 13 concerns that top that list:

1. Student alcohol abuse
2. Student drug abuse
3. Cheating
4. Overcrowding
5. Lack of student discipline
6. Low educational standards
7. Too much emphasis on sports
8. Gangs
9. Pregnancy and unwed mothers
10. Too many poor teachers
11. Student suicide
12. Racial conflicts
13. AIDS
