

I'm Just a Kid!

You are 11 years old. What do you like to do? If your group could meet you as an 11-year-old kid, what would you be like? Read the following situations and share your responses to the questions with the group.

It's your 11th birthday! Yum, a birthday cake! What kind is it? You blow out the candles easily. What did you wish for? What is your "dream" present?

Your father (or guardian) is returning from a day of work. What does he do? What do you want to be when you grow up?

The recess bell has rung! What are you going to do?

Yahoo! The teachers are at a convention today! What are you going to do? Who do you want to do it with?

It's Friday. Your best friend is coming over to spend the night! What is his/her name? What is he/she like? What do you like most about this friend?

Summer is here! Where is your family going on vacation? Are you getting there by car? What's it like in the car? What is your favorite thing about this place?

Think of a kindly older person on your street. How would they describe you when you were 11?
