

# Think About Values

Before you explore the job, check the values that are important to you. After you explore the job, check the values that are important to the job. Then check those values *where both your answers match.*

## Personal

- Working by myself
- Having a clean work area
- Being comfortably dressed
- Having money all the time
- Being free
- Having an opportunity to learn new skills
- Putting my personal life ahead of my job
- Living where I want to live
