

VOCATION PRAYER

Jesus, you have come that we may have life. Give new life to our community by sending vocations to our Carmel. Grant that your words, distilled through the lifegiving doctrine of St. Teresa and St. John of the Cross, may live on in all of us for your glory and the good of our Order. In this troubled world of ours, give us the joy of welcoming into our midst women who seek God in spirit and in truth, and of sharing with them the heaven on earth that Carmel is for those who love. We ask this in your name, and with St. Teresa's own prayer: Lord, you know all things. You can do all things. You love us. Amen.
