

CREATE CAREER IDEAS!

Circle the letters in your personal Holland Code to find out which categories fit you.

R

REALISTIC

These people have athletic or mechanical ability. They prefer to work with objects, machines, tools, plants or animals. They usually like to work outdoors.

I

INVESTIGATIVE

These people like to observe, learn, investigate, analyze, evaluate or solve problems.

A

ARTISTIC

These people have artistic, innovative or intuitive abilities. They usually like to work in an unstructured situation using their imagination or creativity.

S

SOCIAL

People in this category like to work with people. They like to inform, enlighten, help train, develop or cure people. They also may be skilled with words.

E

ENTERPRISING

These people also like to work with people, but they like to influence, persuade or perform. They like to lead or manage for organizational goals or economic gain.

C

CONVENTIONAL

People in this group like to work with data, have clerical or numerical ability and carry things out in detail. They usually enjoy following other people's instructions.

To discover careers that fit your interests, take a look at the career examples listed under the headings related to your Holland Code.

Of course, there are many more careers you could add to the list.

Now that you know some of your interests, you can ask parents, teachers and counselors to help you discover more careers in areas that would be fun for you.
