

I Need You
Jars Of Clay

strangely out of place
there's a light filling this room where
none would follow before
i can't deny it burns me up inside
i fan the flames to melt away my pride
do I want shelter from the rain
or the rain to wash me away?

CHORUS:

i need you, I need you, i need you
i need you, I need you, i need you
you're all i'm livin' for

I might sound like a fool
but i think i felt you moving closer to me
face to the ground to hide the fatal cut
I fight the weight, I feel you lift me up
you are the shelter from the rain
and the rain to wash me away

CHORUS:

i need you, I need you, i need you
i need you, I need you, i need you
you're all i'm livin' for

face to the ground to hide the fatal cut
i fight the weight, i feel you lift me up
i can't deny it burns me up inside
i fan the flames to melt away my pride
i only had a second to spare
but all the time in the world to know you're there
you are the shelter from the rain
and the rain to wash me away

CHORUS:

i need you, I need you, i need you
i need you, I need you, i need you
you're all i'm livin' for
