

## "Hanging by a Moment"

Lifehouse

Desperate for changing  
Starving for truth  
Im closer to where I started  
Im chasing after you

Im falling even more in love with  
you  
Letting go of all Ive held on to  
Im standing here until you make me  
move  
Im hanging by a moment here with  
you

Forgetting all Im lacking  
Completely incomplete  
Ill take your invitation  
You take all of me now

Im falling even more in love with  
you  
Letting go of all Ive held on to  
Im standing here until you make me  
move  
Im hanging by a moment here with  
you  
Im living for the only thing I know  
Im running and not quite sure where  
to go  
And I dont know what Im tapping  
into  
Just hanging by a moment here with  
you

Theres nothing else to lose  
Theres nothing else to find

Theres nothing in the world  
That can change my mind  
There is nothing else  
There is nothing else  
There is nothing else

Desperate for changing  
Starving for truth  
Im closer to where I started  
Im chasing after you

Im falling even more in love with  
you  
Letting go of all Ive held on to  
Im standing here until you make me  
move  
Im hanging by a moment here with  
you

Im living for the only thing I know  
Im running and not quite sure where  
to go  
And I dont know what Im diving  
into  
Just hanging by a moment here with  
you

Just hanging by a moment  
Hanging by a moment  
Hanging by a moment  
Hanging by a moment here with you
