

ARE HELL AND THE DEVIL REAL?

YES, as well as there is a Heaven - there is a Hell. So you ask; "How can an all-loving God condemn people to hell?" God does not send us to hell, we put ourselves there. God offers us His Love and the chance to share in His Life. It is an invitation and even He can not force us to accept it. We have free will...We are free to say, "I will NOT serve", "I will be the God of my universe", "I need no one - not even God", and we are free to suffer the consequences.

We believe also the devil is a real entity. Devils are angels who rejected God. They were cast into hell and also interact with us in our world to tempt us to turn away from God too.
