Desire for nothing except desirelessness.

Hope for nothing except to rise above all hopes.

Want nothing and you will have everything.

Seek not to possess anything but to surrender everything.

Serve others with the understanding that in them you are serving me. ~~God~~ <sup>His</sup>

Be resigned completely to my will and my will will be yours. ~~Gods~~ <sup>Gods</sup>

Let nothing shake your faith in ~~God~~ and all your bindings will be shaken off.

Real happiness lies in making others happy.

The real desire is that which leads you to become perfect in order to make others perfect.

When God enters a Human life, in an authentic religious experience, the result will be a deeper contact with reality. The recipient of such an experience of God will seem to be alive, more aware of others, and of the world about Him. His perception of beauty will be keener, and his compassion for the suffering will be deeper. John Powell
