

Casting Crowns Here I Go Again

I need the perfect words
Words that he will hear
And know they're straight from You
I don't know what to say
I only know it hurts To see my only friend slowly fade away

So maybe this time I'll speak the words of life
With Your fire in my eyes
But that old familiar fear is tearing at my words
What am I so afraid of?

'Cause here I go again
Talkin' bout the rain
And mulling over things that won't live past today
And as I dance around the truth
Time is not his friend
This might be my last chance to tell him that
You love him
But here I go again, Here I go again

Lord, You love him so, You gave Your only Son
If he will just believe; he will never die
But how then will he know what he has never heard
Lord he has never seen mirrored in my life

Maybe this time I'll speak the words of life
With Your fire in my eyes
But that old familiar fear is tearing at my words
What am I so afraid of?

'Cause here I go again
Talkin' bout the rain
And mulling over things that won't live past today
And as I dance around the truth
Time is not his friend
This might be my last chance to tell him that You love him
But here I go again, Here I go again

This might be my last chance to tell him that You love him
This might be my last chance to tell him that You love him
You love him, You love him
What Am I so afraid What am I so afraid What am I so afraid of?
How then will he know What he has never heard
