

# Perspective

As our faith grows, our eyes are opened and we begin see the world as God sees it. How has our faith changed our perspective on the different aspects of our lives? How has our belief in God and the teachings of the Catholic Church affected how we see the important aspects of our lives like dating, parent/ family relationships, school, friendships, and entertainment? What are some ways that we have not yet allowed Jesus to change our perspective on life?

- *Part I-break up into five small groups and answer the questions on dating/marriage, school, family relationships, friendship and entertainment*
- *Part II-the five groups will collaborate in one large group showing how their perspective changed with faith*
- *Part III-Write a letter to God about how you hope to change this lent*
