do you have a soul you're not using

THE CHALLENGE

THE DAMNED

The Rational Response Squad is giving away **1001 DVDs** of *The God Who Wasn't There*, the hit documentary that the *Los Angeles Times* calls "provocative -- to put it mildly."

There's only one catch: We want your soul.

It's simple. You record a short message damning yourself to Hell, you upload it to YouTube, and then the Rational Response Squad will send you a **free** *The God Who Wasn't There* DVD. It's that easy.

INSTRUCTIONS:

You may damn yourself to Hell however you would like, but somewhere in your video you must say this phrase: "I deny the Holy Spirit."

Why? Because, according to Mark 3:29 in the Holy Bible, "Whoever blasphemes against the Holy Spirit will never be forgiven; he is guilty of an eternal sin." Jesus will forgive you for just about anything, but he *won't* forgive you for denying the existence of the Holy Spirit. Ever. This is a one-way road you're taking here.

Once you have shot your blasphemous video, just follow these two easy steps:

1. Go to [this link](#) on YouTube to upload your video as a "Video Response" to the Blasphemy Challenge. (You can log in or register on that page if necessary.) Please put the URL <http://www.blasphemychallenge.com> somewhere in the text description when you upload your video.

2. When the video appears on YouTube, send the URL to this email address: waronchristmas@hotmail.com. Also include a complete United States mailing address* so we can send your free copy of *The God Who Wasn't There*.

That's it. We're only giving away 1001 DVDs, so blaspheme now. More questions are answered in the [FAQ](#). View the [press release here](#). View [television coverage here](#).

*Sorry, no free shipping outside the United States on DVDs. But international blasphemers will receive \$35 worth of Rational Response Squad radio show downloads instead, or you can opt to pay the \$8 shipping and handling for the DVD.
