

# I Still Believe

Crystal Lewis

when i can't feel your love for me  
the pain in my soul, it won't let me sleep  
i imagine you here and it dries up my tears  
even though i can't see  
i still believe...

i believe in love  
i believe in peace  
i believe someday  
you'll return for me  
i believe in things  
that i cannot see  
and when my heart says no  
i still believe

just when i think my faith is gone  
i hear your sweet voice crying out hold on  
it's amazing how we, we're always meant to be  
and now i can breathe again

i believe in love  
i believe in peace  
i believe someday  
you'll return for me  
i believe in things  
that i cannot see  
and when my heart says no  
i still believe

i believe the sun will shine again  
and the loneliness someday will end  
i will stand right here 'til your voice i hear  
forever and always

i believe in love  
i believe in peace  
i believe someday  
you'll return for me  
i believe in things  
that i cannot see  
and when my heart says no  
i still believe
