

## A LETTER FROM JESUS

Dear Precious Friend:

I am sending you this letter by way of one of my disciples. I just wanted to let you know how much I love and care about you and how I greatly desire to become a meaningful part of your life.

This morning when you awoke, I was already there with you in the light of my beautiful sunshine that filled your room. I was hoping that you would say good morning to me, you didn't. So I thought maybe it was just a little too early in the day for you to notice me.

Again, I tried to get your attention when you stepped out of your door. I kissed your face with a soft gentle breeze. I then sang you a love song through the birds in the trees. You just walked right past me.

Later on in the day. I watched over you as you were talking with some of your friends. Oh! How I wished that you would talk to me also. I waited and waited, but you just went along your way.

This afternoon, I sent you a refreshing shower and glistened to you from each rain drop. I even shouted to you a time or two with thunder trying to get your attention. Then I painted you a lovely rainbow in the midst of my fluffy white clouds, I just knew you would see me then, but you were unaware of my presence.

This evening to close your day, I sent you a beautiful sunset. After that I winked at you a thousand times through my stars hoping that you would see me and wink back. You never did.

Tonight when you went to bed, I spilled moonlight upon your face to let you know that I was there with you. I was hoping that you would talk to me a little while before you went to sleep. You never said a word. It hurt me deeply, however, I continued to watch over you all through the night thinking that maybe, just maybe, you would call out my name sometime throughout the night.

Each and every day, I have revealed myself to you in many strange and wondrous ways, hoping that you would accept me as your shepherd. For I am the only one that can supply you with all your needs. My love for you is deeper than the deepest ocean and bigger than the great blue sky. I have so very much to give you and also share with you. Please let me hear from you.

Your Loving Friend Forever,

Jesus . . . . .
