

Awesome Love

TOPIC : *God's Love*

SCRIPTURE : *1 Corinthians 13:4-13*

SUPPLIES : *newsprint or dry erase board, markers, timer or stopwatch, Bibles*

Have youth form groups of four. Give each person a Bible and instruct participants to find 1 Corinthians 13. Tell groups that they'll have sixty seconds to choose one aspect of love described in 1 Corinthians 13 and think of a scene that depicts a practical way God shows us that aspect of love. For example, if a group chooses "love protects," the group must come up with a scene that shows how God protects us. They may plan a scene of teenagers driving in a car on a rainy night with angels overhead.

After the sixty seconds of planning time, each group has two minutes to draw its scene. When time is up, the other groups must try to guess which aspect of love the group was trying to depict. Have groups take turns displaying their pictures while other groups guess. You may want to repeat the activity until you've covered all the aspects of love described in 1 Corinthians 13.

DISCUSSION

- What are some ways you sense the love of God around you each day?
- How can we become instruments for God to use in loving others?
- In what ways does God's love for us differ from the world's idea of love?
- How can we learn to trust God's love for us even when it doesn't make sense to us?
