SUPPORT FROM THE BIBLE

HOW TO LOOK UP A BIBLE REFERENCE: The Bible is divided into two parts—the Old Testament and the New Testament. They are made up of sections known as books—66 in all (39 in the Old Testament and 27 in the New Testament). Every book has a title such as Genesis, which is the first book in the Bible. Each book contains chapters which usually have large, bold numbers at the beginning. In each chapter there are small numbers in front of some sentences. These are the verse numbers.

So, follow the 1-2-3 process: 1) Book, 2) Chapter, 3) Verse.
