## It is my responsibility to protect the unity of my church.

Nothing on earth is more important to God than His family.  
I can help protect His Church by:

- \*Focusing on what we have in common more than differences
- \*Being realistic in what I expect
- \*Choosing to encourage more than criticize. Passionately loving the Church in spite of its imperfections
- \*Refusing to gossip & listen to it
- \*practicing Gods plan for resolving conflicts:
  - 1- someone hurts me- work it out between us
  - 2-if they won't listen take along several others as witnesses
  - 3- if they still won't listen- tell the church
- \*Support my pastor & leaders

Let us concentrate on the things which make for harmony and the growth of our fellowship together. *Romans 14:19*

What am I personally doing to protect unity in my church family right now?
