

Reflecting on your demise

How do you want to go?

Which scene from the movie of your life plays over & over in heaven?

Which scene from the movie of your life plays over & over in hell?

What food will they have in heaven?

In your earthly life what did you spend the most time doing?

What did you spend the most money on?

One thing you're glad you'll never have to do again on earth?

What book do you regret not reading or finishing?

Any last Words?

What are people saying over your casket?
